PROJECTS

Tours and Travel Management System (Personal Project) Jul 2025 - Sep 2025

GitHub: github.com/praga6802/Travellers-Choice

- Upgraded a PHP-based college project to a full-stack Java Spring Boot application with MVC architecture.
- Implemented secure user login, personalized package booking, and an admin operation, managing database operations via Spring Data JPA.
- Enhanced frontend with a modern, responsive UI, ensuring smooth user experience and scalable design.

Technologies: Java, Spring Boot, MySQL, HTML, CSS, JavaScript

Vehicle Rental Management System - JONI Software Solutions

Apr 2025 - Jun 2025

GitHub: github.com/praga6802/VehicleRentalManagementSystem

- Enhanced a Java application to manage bike, car, and truck rentals with brand/model filtering and license-type verification.
- Processed bookings, calculated rental charges, and generated detailed receipts.
- Developed a user-friendly interface with modular code structure for maintainability and scalability.

Technologies: Java

Bank Management System - JONI Software Solutions

Mar 2025 - Apr 2025

GitHub: github.com/praga6802/JoniBank

- Developed a Java-based banking application with core features like balance check, deposit, withdrawal, and receipt printing.
- Enabled secure account management, including phone number and ATM PIN updates, with robust input validation.
- Ensured data integrity and performance through modular design, enhancing maintainability and user experience.

Technologies: Java

PROFESSIONAL EXPERIENCE

Catalog Associate - Wissend Consultancy Services, Chennai

Feb 2024 - Jul 2024

- Independently managed and optimized 1,000+ product listings across Shopify and Walmart using Excel, ensuring accuracy in pricing and inventory.
- Led a solo catalog improvement project using Excel-based analysis and reporting, increasing workflow efficiency by 25%.

CERTIFICATIONS

• **Java Programming with Spring Boot** - JONI Software Solutions

Oct 2024 - Aug 2025

• **MySQL Database Management** - JONI Software Solutions

Apr 2025 – Jun 2025
